

IN THE HIGH COURT
APPLICATION FOR LEAVE TO APPEAL
TO THE COURT OF APPEAL (CIVIL DIVISION)

Title of case/action: The Queen on the application BACI Bedfordshire Limited v Environment Agency and Covanta Energy Limited	Action/case no. CO/1855/2018
Heard/tried before (insert name of Judge): Mrs Justice Lang	Court no 18
Nature of hearing Judicial review	
Date of hearing/judgment: 6 November 2018	
Results of hearing (attach copy of order): Claim dismissed	
Claimant's application for permission to appeal	REFUSED
Reasons for decision (to be completed by the Judge): I do not consider that the Claimant has a real prospect of success on appeal, for the reasons I have set out in my judgment. The competing submissions are summarised at paragraphs 3 and 4 of my judgment; the error by Covanta is described in paragraphs 15 and 16; and my conclusions are at paragraphs 45 to 58. The grounds of appeal merely repeat the submissions made before me, which I have rejected, and I have nothing further to add. There is no other compelling reason why the appeal should be heard. The claim has no wider significance.	
Judge's signature: Mrs Justice Lang	Note to the Applicant: When completed this form should be lodged in the Civil Appeals Office on a renewed application for leave to appeal or when setting down an appeal
